WHAT DOES THE PTA DO?

OUR PURPOSE

The PTA helps fund experiences and resources that go beyond the basic school budget:

IN THE CLASSROOM

Teacher & classroom funds • Technology • Instructional resources • Science

BEYOND THE CLASSROOM

Field trips • Guest speakers • Assemblies • Author visits

BUILDING OUR COMMUNITY

Family events • Multicultural programs • Disability Awareness • Talent Show • Reflections • Garden

SUPPORTING GREAT IDEAS

Dragon Dreams grants give our teachers and staff funding to bring new ideas directly to our students.

The current budget includes $57,300 in academic support, another $5,500 for new academic programs, and $43,500 for PTA programs and projects.

WHEN YOU SUPPORT THE PTA, YOU ARE DIRECTLY SUPPORTING OUR KIDS.

IT TAKES A VILLAGE, WE’RE THE VILLAGE.

A LITTLE PTA REMINDER...

WE'RE PARENTS TOO

Your PTA is run entirely by volunteers.

We have kids to get to practice, homework to tackle, jobs to get to, dinners to make, emails we occasionally miss, and calendars that are just as crazy as yours.

SO GIVE US A LITTLE GRACE.

And if you see something that could be better...
Come help us make it better.
